## ABOUT THE AMERICAN COLLEGE

The American College a higher educational institution, is known for its focus on academic excellence and social relevance. Its pioneering role in the development of college autonomy in India in 1978, its successful early implementation of Choice Based Credit System under autonomy and its completion of 135 years of service bear testimony to the position that the college currently enjoys. Originally founded by missionaries in 1841, the American College, grew into a collegiate department in 1881. It became independent of the mission in 1934 when an autonomous Governing Council was formed to manage its own affairs. Earlier, it was affiliated to the University of Madras and later, it came under the jurisdiction of Madurai Kamaraj University in 1965.

With its extreme sensitivity to national policies and community needs, the college has grown from strength to strength. It was one of the first seven colleges to be made autonomous by the UGC in 1977 – 1978. Today, the college offers thirty undergraduate and seventeen post-graduate and nine M.Phil programmes. There are seven research centres offering Ph.D Programmes in various disciplines and two autonomous centres of Department of Applied Sciences and Study Centre for Indian Literature in English and Translation (SCILET) that receive international attention. Its alumni shine as luminaries internationally as scientists, intellectuals, administrators, corporate managers, ministers and leaders. The College has active theatre groups, National Service Schemes, NCC units, Service Learning Programme, Students Services Centre, Rotaract Club, Green Club and Students Christian Movement that offer students a wide range of opportunities to serve society. These activities make the campus vibrant for developing one's personality.

The College, as part of its social commitment, established the Community College offering skill based courses from the academic year 2014-15, and undergraduate self-financed programmes from the academic year 2015-16 at its Satellite Campus at Chattrapatti, to cater to the rural and less privileged students of the community. The college has tie-ups with many State, Central Institutes and Private Industries. An

MoU between the American College and Concordia College, New York enables the second year UG students to complete their degrees at Concordia College under American Transfer Programme (ATP).

## Centre for Gender Studies

The American College as community has catered to the needs of the society by nurturing women's empowerment in the recent past. The centre is built on the vast knowledge and experience of a dedicated team of men and women faculty members. The American College from its inception has been taking efforts to integrate women in every sphere/activity of the college. Apart from conducting conferences, seminars and workshops, the inspirational lectures are arranged for the teachers and students to the cause of gender equality.

## ABOUT THE CONFERENCE

The main objective of this conference is to provide a forum for researchers, educators, industrialists, academics and students to exchange new ideas, thoughts, approaches and insights to the challenges and opportunities in the domain of Women and Power.

The conference is designed with Special Invited Lectures, Paper Presentations and Poster Presentations. In addition to serving as an academic platform where the latest research in women and power can be shared, the conference is intended to act as a platform for discussing the opportunities and challenges facing all participants. Therefore, the conference on “Women and Power – Challenges and Opportunities” proposes to invite original research papers on opportunities available and the challenges faced by women in positions of power in areas like Government, Politics, International Organisations, Industry and Business, Science and Academia, the Media and many other sectors. Both Men and Women are invited for presentation of papers at the conference. Active listeners for the conference are also encouraged. Publication is not mandatory. **Best papers will be published in Journal with ISSN number.**

Compete and win the Best Paper and Best Presentation Awards. Present, Publish your work and take back with you Proceedings with **ISBN No.978-93-85109-88-1** and ISSN Journal.

## TRAVEL AND ACCOMMODATION

Madurai is a beautiful tourist destination located in the Indian State of Tamil Nadu. Situated on the banks of the Vaigai River, it has a rich culture and heritage. Madurai is connected by roads to Chennai (472 km), Trichy (142 km), Rameshwaram (139 km), Kanyakumari (232 km), Tirunelveli (151 km), Kodaikanal (120 km), Thanjavur (223 km), Bangalore (446km) and has both a Railway station and an Airport connecting all parts of India.

Madurai covers a very wide range of hotels and other accommodation facilities to suit every budget. Participants of the conference are advised to contact the hotels directly and book their accommodation. However, in case of any difficulty we can assist on your request.
