Number of applications received during last two years for admission under Management Quota and number admitted	2024 - 292; Admitted - 38 2025 - 196; Admitted - 30

11. Admission Procedure

The approved number of student admissions is 60 and out of which 18 students are admitted through the Tamil Nadu State Government Counseling based on the scores obtained from the

common entrance exam conducted by TANCET (tancet.annauniv.edu/). The remaining 42 seats are admitted under management quota based on the following procedure.

Applications are invited by the college based on advertisements in leading newspapers and college website. The applications received are scrutinized by verifying the minimum mark percentage of 50 in their undergraduate programme of any discipline. In the event of the non availability of final semester consolidated marks, the marks obtained up to the 5th semester is also considered. An overall rank list is prepared using the database of the eligible candidates, based on the percentage of marks obtained.

The selection list is prepared based on the roster system with the provision to OC, BC, SC & ST and DMR quotas.

The admitted students must produce their eligibility scores of any management entrance exam.

In the event of students not accepting the admission offer, the next eligible student will be considered for admission in the next selection list. The entire admission process is monitored by an admission committee of faculty constituted by the College Authority.

Calendar for admission against Management/Vacant seats:

- Applications are accepted till the admission process gets completed.
- No applications are entertained once the seats are filled in or the date of orientation
- The results of the selection list (First List) will be published within the ten days of the advertisement.
- The Overall Rank List and Selection List will be announced on the same day
- Minimum of ten days will be given for the candidate for the acceptance of the call letter. Extension of date is given on request for valid reasons
- The last date for closing the admission is based on the date announced by the MKU.
- The academic session will begin immediately after the State Counseling Allotments are done.
- The waiting list shall be activated only on the expiry of date of main list
- If the student discontinued the programme before the orientation day, the entire amount with the reduction of Rs.1000 will be refunded. If discontinued after the orientation, 25 per cent of the total fee will be deducted. If discontinued after the closure of admission as per the MKU notification, no refund is given.

Teaching Learning Process

Management Studies Program being a professional course, the teaching learning process followed is more application oriented. Therefore, in addition to the regular lecture sessions, group discussion, interactive classes, seminars, case analysis, student presentations and activity based sessions are conducted.

Field Visits, Industry visits and study tours are included as part of the teaching and training process. Summer Internship and Project work are considered as the integral part of the curriculum.

Outcome Based Education System is under practice.

In order to provide deeper understanding on the various facets of management, specialization areas identified include marketing, finance, international business, human resource and Entrepreneurship.

To provide wider career opportunities and equip students for placements across domains, dual specialization is offered.

Value added courses are taught beyond the regular class hours to enhance their managerial skills thereby increase their scope for placements.

The Curriculum grid and other related aspects to support the teaching learning process are given below.
