

Name : R. JEYAPANDI
Designation : Lecturer
Department : Biochemistry
Date of Joining : 28.4.2011
Phone with Extn. No : 8489-30173, 97919-55634
Email : srsjeyam@gmail.com

Educational Qualification:

Degree	Subject	College / University & Place	Year Completed
M.Phil	Biochemistry	Bharathi Dasan University, Tiruchirapalli	2008
M.Sc	Biochemistry	Bharathi Dasan University, Tiruchirapalli	2004
B.Ed	Biochemistry	Madurai Kamaraj University, Madurai	2005
B.Sc	Biochemistry	Madurai Kamaraj University, Madurai	2002

Specialisation in Teaching:

- Bio molecules
- Enzymes
- Metabolism
- Nutritional Biochemistry
- Bio Instrumentation Techniques
- Clinical Biochemistry
- Cell Biology
- Immunology
- Molecular Biology

Specialisation in Research:

- Bio-pesticides

Research Interests:

- Bio-Pesticides
- Clinical diagnosis

Other Work Experience:

Designation	Institution / Company	Year - From (month/year) To (month/year)
Lecturer and Head Dept of Biochemistry	Sri Nagalakshmi Ammal College of Science Pappunayakkam patti	26.12.2005 to 30.4.2010

Articles Published in International Journals:

1. R. Jayapandi and M. Shunmugavelu “Effect of the plant extract calotrop’s gigantea against the blister beetle mylabris Indica”- Journal of Ecobiology 28(1) 69 – 72 (2011)
2. M.Shunmugavelu and R. Jayapandi “Impact of the plant extract Tribulus Terrestris on Biochemical Content of the Polyphagous pest mylatris Indica- Journal of Ecobiology 29 (3) 237 – 24 (2011) ”
