About the College

THE AMERICAN COLLEGE is one among the renowned premier institution in India. Started in 1881 with a vision to educate the unreached and underprivileged, it has been serving society for the past 137 years uninterruptedly. It is one of the first 7 colleges conferred with academic autonomy in 1978. The College has grown exponentially into an institution of excellence with the UGC funded Community College and with the Satellite Campus on the outskirts of the city under the foot of the Western Ghats in Chatrapatti.

About the Department

In 1913 the Physical Science Department was established and subsequently it was bifurcated into the Departments of Physics and Chemistry and BA Chemistry was offered as an arts programme. It was recognized as a science programme in 1946. The undergraduate department has been housed in the century old James Hall. The Postgraduate Department of Chemistry was started in 1958 in Stoffer Hall. The department was recognized as a Centre for Research in Chemistry in 1982 and M.Phil., Chemistry was introduced in 2008. To meet the rising demand for Chemistry at the undergraduate level, B.Sc Chemistry self-financed stream was started in the year 2015. The department has been consistently receiving grants from DST for FIST and STAR College Programme. The department has so far conducted 14 seminars and national symposia in the last five years and the same have been funded by UGC, DST, DRDO, CSIR, COSSIP, JNCASR, and Indian Academy of Sciences. The department is equipped with sophisticated instruments and 7500 books with access to e-journals.
