A Biannual Bulletin

THE AMERICAN COLLEGE

Madurai - 625 002

Dr.M.Davamani Christofer
Principal & Secretary

The IQAC bulletin is a biannual publication that highlights the college activities in the first or second half of an academic year respectively. It showcases the important events conducted in the college and at the department of this renowned institution. It is thus purely a news bulletin of the American College where the focus is more on information about the major landmarks of the college than on reflecting on the activities of the departments and the college. It is indeed a window to the world and a treasure to the students and staff belonging to the aided and the self - financed streams of the college. The IQAC bulletin reflects the milestones and significant achievements of this premises institution, The American College, Madurai.

I wish the IQAC bulletin all success in its journey towards academic excellence, employability and social transformation.

Dr.J.Paul Jayakar
Editor - IQAC Bulletin
