

Yearly Status Report - 2019-2020

Part A

Data of the Institution

1. Name of the Institution		THE AMERICAN COLLEGE (AUTONOMOUS)
Name of the head of the Institution		Dr. M. Davamani Christober
Designation		Principal
Does the Institution function from own campus		Yes
Phone no/Alternate Phone no.		04522530070
Mobile no.		9894114455
Registered Email		principal@americancollege.edu.in
Alternate Email		acmdu1881@gmail.com
Address		Algarkoil Road Tallakulam
City/Town		Madurai
State/UT		Tamil Nadu
Pincode		625002
2. Institutional Status		

Autonomous Status (Provide date of Conformant of Autonomous Status)	27-Jul-1978
Type of Institution	Co-education
Location	Urban
Financial Status	state
Name of the IQAC co-ordinator/Director	Dr. K. Gnanasekar
Phone no/Alternate Phone no.	04522530070
Mobile no.	9843234369
Registered Email	amciqac2014@gmail.com
Alternate Email	acmdu1881@gmail.com

3. Website Address

Web-link of the AQAR: (Previous Academic Year)	https://americancollege.edu.in/wp-content/uploads/2019/09/Yearly%20Status%20Report%202018-2019.pdf
--	---

4. Whether Academic Calendar prepared during the year

if yes, whether it is uploaded in the institutional website: Weblink :	https://americancollege.edu.in/wp-content/uploads/2019/09/Calender%202019-2020.pdf
---	---

5. Accreditation Details

Cycle	Grade	CGPA	Year of Accreditation	Validity	
				Period From	Period To
2	A	3.46	2016	17-Mar-2016	16-Mar-2021

6. Date of Establishment of IQAC

24-Feb-2001

7. Internal Quality Assurance System

Quality initiatives by IQAC during the year for promoting quality culture		
Item /Title of the quality initiative by IQAC	Date & Duration	Number of participants/ beneficiaries

AAA and follow up	13-Mar-2020 1	68
National Conference on Quality Enhancement & Sustenance in Higher Education	06-Mar-2020 1	64
National Workshop on Service Learning Programm at Kodaikanal	13-Feb-2020 4	50
IQAC Meeting II	11-Feb-2020 1	20
Participation in NIRF '2020'	14-Dec-2019 1	68
Soroptimist International and Soropti Youth Club of our college jointly organised a workshop on	11-Dec-2019 1	1500
Submission of AQAR 2018-19	18-Dec-2019 1	63
Faculty Orientation Programme Organized by IQAC	27-Sep-2019 1	169
8th volume of the International Peer Reviewed Journal (ACJELL) Published by the Department of English	05-Sep-2019 1	41
IQAC Meeting I	26-Jul-2019 1	20
View File		

8. Provide the list of Special Status conferred by Central/ State Government-UGC/CSIR/DST/DBT/ICMR/TEQIP/World Bank/CPE of UGC etc.

Institution/Department/Faculty	Scheme	Funding Agency	Year of award with duration	Amount
Dr.K.Karthick Kumar	DST SERB	DST	2017 1095	1450000
Dr.S.Stephen Rajkumar Inbanathan	DAE CONSORTIUM FOR SCIENTIFIC RESEARCH	DAE	2018 730	239880
The American College	B.Voc	UGC	2018 1095	7578400
View File				

9. Whether composition of IQAC as per latest NAAC guidelines:

Yes

Upload latest notification of formation of IQAC	View File
10. Number of IQAC meetings held during the year :	2
The minutes of IQAC meeting and compliances to the decisions have been uploaded on the institutional website	Yes
Upload the minutes of meeting and action taken report	View File
11. Whether IQAC received funding from any of the funding agency to support its activities during the year?	No

12. Significant contributions made by IQAC during the current year(maximum five bullets)

1. University Grant Commission has selected The American College as a Mentor Institution 2. Conducted DST sponsored INSPIRE Science Camp 3. Entrepreneurship Cell of the College organized a two day EDIIMSME Sponsored Entrepreneurship Motivation Camp 4. A nonteaching staff retreat was conducted outside India at Kula Lumpur, Malaysia 5. IQAC of the College conducted a Nation Conference on Quality Enhancement Sustenance in Higher Education

[View File](#)

13. Plan of action chalked out by the IQAC in the beginning of the academic year towards Quality Enhancement and outcome achieved by the end of the academic year

Plan of Action	Achivements/Outcomes
Research Department of Zoology conducted a National conference on Wild life: Threats and Conservation	Conducted on 18 October 2019. Research Scholars from India participated
Faculty Orientation Programme	Conducted on 27 September 2019
Workshop on GST	Conducted by Department of Commerce on 5 July, 2019
Introducing New courses: B.Sc., Physics and B.Sc., Mathematics at Satellite Campus	Program structure and curriculum are placed & approved by the Academic council
New Solar Panel at Dudley Hall and Vermicompost Unit	Installed
Construction of third floor of Saunders Hall, John X Miller Hall, accomodates Three lectures halls for Community College, Laboratories for Food Science Microbiology, Food Science Biotechnology, Psychology, Bio-Chemistry, first floor of the Men's hostel and Academic Block in satellite	Constructed & Dedicated

campus and Ramp to all buildings, Rain water Harvesting. Additional RO Plants in Main campus					
Restructuring of curriculum towards outcome based education	Revised curriculum based on outcome based education, placed and approved in the Academic council				
National Conference on Quality Enhancement & Sustenance in Higher Education	Conducted				
Participate in the National Institutional Ranking process of MHRD under Autonomous College	Ranked between 100 & 150 in college category under NIRF India Ranking 2020				
MoU - Mentor Status	Mentor Status granted by UGC				
View File					
14. Whether AQAR was placed before statutory body ?	Yes				
<table border="1" style="width: 100%;"> <thead> <tr> <th style="width: 50%;">Name of Statutory Body</th> <th style="width: 50%;">Meeting Date</th> </tr> </thead> <tbody> <tr> <td>Governing Body of The American College</td> <td>11-Feb-2021</td> </tr> </tbody> </table>		Name of Statutory Body	Meeting Date	Governing Body of The American College	11-Feb-2021
Name of Statutory Body	Meeting Date				
Governing Body of The American College	11-Feb-2021				
15. Whether NAAC/or any other accredited body(s) visited IQAC or interacted with it to assess the functioning ?	No				
16. Whether institutional data submitted to AISHE:	Yes				
Year of Submission	2020				
Date of Submission	18-Feb-2020				
17. Does the Institution have Management Information System ?	Yes				
If yes, give a brief description and a list of modules currently operational (maximum 500 words)	Every activities of the college are automated through customized software modules. Start from admission process, academic process, examination process and all financial transactions are carried out through well developed software modules. Module for Admission Process takes care of application sales, online application along with support documents, verification of application, rank list preparation, selection list preparation as per government norms, and sending admission letters. Module for Academic Process is used for daily course wise attendance entry, CIA marks consolidated CIA				

marks, EOS marks, CBCS course registration, Reassessment registration, revaluation registration with access rights to HOD, course teachers, students, parents. Module for Examination Process takes care of EOS registration, Hall ticket preparation, Examination Schedule, all communication to faculty and external examiners through emails, Awards committee report preparation, results declaration, digitized consolidated mark statements through National Academic Depository (NAD), online verification of genuine of mark statement by employers. Module for Financial Transactions for online admission fees, examination fees, all other fees paid by the students, hostel fees, and mess bill, Teaching and non teaching salary is being paid via epay roll facility provided by the Govt. of Tamilnadu.

Part B

CRITERION I – CURRICULAR ASPECTS

1.1 – Curriculum Design and Development

1.1.1 – Programmes for which syllabus revision was carried out during the Academic year

Name of Programme	Programme Code	Programme Specialization	Date of Revision
BA	HIS	HINDI	31/05/2019
BA	HIN	HINDI	31/05/2019
BA	FRS	FRENCH	31/05/2019
BA	RPS	RELIGION, PHILOSOPHY SOCIOLOGY	31/05/2019

1.4 – Feedback System

1.4.1 – Whether structured feedback received from all the stakeholders.

Students	Yes
Teachers	Yes

Employers	Yes
Alumni	Yes
Parents	No

1.4.2 – How the feedback obtained is being analyzed and utilized for overall development of the institution?
(maximum 500 words)

Feedback Obtained

FEEDBACK MANAGEMENT

1. INTRODUCTION/PREAMBLE: Self-assessment provides feedback regarding the strengths, weaknesses, opportunities and threats relevant to quality assurance within the institute. Quality assurance framework within the College involves all the administrative and teaching wings of institution. The IQAC provides useful insights for the purpose of improvement in all aspects of curricular design and development.

2. STAKEHOLDERS 1. Students 2. Alumni 3. Employers 4. Teachers 5. Peers

3. TYPES OF FEEDBACK

1. Student feedback

2. Alumni feedback

3. Employer feedback

4. Teacher Feedback

3.1 Student's Feedback: This feedback collects students input on design of curriculum, incorporation of current area of subjects and design careers. Student's evaluation of their learning experience is an integral and necessary component of any quality assurance system as adopted by universities and colleges as it allows the institution to evaluate how its service provision is viewed by its most important group of stakeholders, namely its students.

3.2 Alumni's Feedback: This feedback obtains the inputs from the alumni on the quality of the graduates at The American College, Madurai. This helps us to assess the extent of attainment of the programme outcomes. Alumni feedback was collected from all participating alumnus during Alumni meet and through e-mail. The Director of Alumni Association, had collected the feedback manually and electronically and submitting the same to the head of the institution.

3.3 Employer's Feedback: The purpose of the feedback is to obtain the employers input on the quality of the graduates at The American College, Madurai. The student's ability to handle the professional situations and knowledge acquired during their learning can also be assessed. The feedback from recruiters was collected manually and electronically.

3.4 Teacher's Feedback: The purpose of the feedback is to obtain the teachers input on the overall educational environment prevalent in the college. The feedback pertaining to curriculum design, assessment patterns, research policies, and overall working environment were collected online and manually by NAAC Criterion 1 convenor during an academic year.

4. MODE OF FEEDBACK COLLECTION: Online feed back through Google form link and offline submission through printed questionnaires. Also appreciation letters and e-mails were also analysed.

5. FEEDBACK ANALYSIS Data collected from various stakeholders will be analysed by assigned faculty and the scores to be submitted to Head of institution for compilation of data.

6. FEEDBACK REVIEW RECOMMENDATIONS On the basis of the feedback received from various stakeholders, the feedback co-ordinator will compile the final observations (includes departmental average and institutional average) and put forth for further action by respective program committee.

7. ACTION TAKEN On the basis of feedback review and recommendations given by program committee, the final action/ resolution to be taken by head of the institution.

8. APPENDICES: 1-7

CRITERION II – TEACHING- LEARNING AND EVALUATION

2.1 – Student Enrolment and Profile

2.1.1 – Demand Ratio during the year

Name of the Programme	Programme Specialization	Number of seats available	Number of Application received	Students Enrolled
BSc	Physics	167	1969	147

BSc	Mathematics	207	1386	129
BCom	Commerce with professional accounting	69	376	71
BCom	Commerce with information technology	57	284	73
BA	RPS	81	291	62
BA	Economics	162	671	137
BA	English	309	1971	245
BA	Tamil	81	607	74
BCom	Commerce	343	3606	347
BCom	Commerce with computer applications	110	1093	171
View File				

2.2 – Catering to Student Diversity

2.2.1 – Student - Full time teacher ratio (current year data)

Year	Number of students enrolled in the institution (UG)	Number of students enrolled in the institution (PG)	Number of fulltime teachers available in the institution teaching only UG courses	Number of fulltime teachers available in the institution teaching only PG courses	Number of teachers teaching both UG and PG courses
2019	7545	1150	124	20	189

2.3 – Teaching - Learning Process

2.3.1 – Percentage of teachers using ICT for effective teaching with Learning Management Systems (LMS), E-learning resources etc. (current year data)

Number of Teachers on Roll	Number of teachers using ICT (LMS, e-Resources)	ICT Tools and resources available	Number of ICT enabled Classrooms	Number of smart classrooms	E-resources and techniques used
333	333	26	81	56	44

[View File of ICT Tools and resources](#)

[View File of E-resources and techniques used](#)

2.3.2 – Students mentoring system available in the institution? Give details. (maximum 500 words)

Mentoring of learners / students has always been an integral attribute of each and every faculty member of The American College. Officially the mentoring is carried out in the form of students attached to 'Academic Advisers'. In this method each faculty member is assigned approximately 29 students. Those faculty members who become free when the students complete and leave the college will be assigned with new incumbents. Many of the students of the college come from rural areas and socio-economically under privileged background. The academic advisers take care of their mentee's academic, non-academic, socio-economic, emotional and psychological wellbeing. The mentors / academic advisers help their wards to mitigate their socio-economic problems by advocating to avail various scholarships and other funds available in the college for this purpose. They frequently meet the students and discuss about their emotional and psychological problems and suggest appropriate remedies including arranging for counselling. The academic advisers understand the intellectual competencies of their mentees and help them design their own strategies to understand, learn and apply the field of knowledge they gain in their studies, for the betterment of their own life, the society that immediately

surrounds them and the country as a whole. They also follow their wards' regularity in attendance to class and encourage them to achieve full attendance. The academic advisers take special care in following their mentees progress in their curricular activities by keeping track of the evaluation scores they secure in the Continuous Internal Assessments. When a student struggles to score marks, the mentor arranges for special remedial classes in the subjects concerned. The academic advisers understand their mentees' talents in co-curricular and extra-curricular activities and encourage them to join various clubs of the college and hone exhibit their talents various inter- university, -district, -state competitions and platforms. Students Service Centre helps students to showcase their talents in performing arts such as music, dance, folk arts and martial arts. Sports clubs for various events help sportspersons participate and win at various levels of the games. NSS of the college helps the people of Madurai city and district through various activities blood donation, helping police and public maintain social distancing personal hygiene during COVID-19 pandemic are few to mention. The Mentors help their wards either to get placed appropriately through the placement cell or secure seats for higher studies through proper guidance. The moderation of the academic advisers sculpts the students in such a way that they become responsible global citizens and optimum consumers leaving a legacy behind and a greener earth for the generations to come. The mentoring system in the college as a part of student centric learning makes the life at the college for the students, an enjoyable, highly productive and knowledgeable experience.

Number of students enrolled in the institution	Number of fulltime teachers	Mentor : Mentee Ratio
8695	333	1:26

2.4 – Teacher Profile and Quality

2.4.1 – Number of full time teachers appointed during the year

No. of sanctioned positions	No. of filled positions	Vacant positions	Positions filled during the current year	No. of faculty with Ph.D
333	333	Nil	62	162

2.4.2 – Honours and recognition received by teachers (received awards, recognition, fellowships at State, National, International level from Government, recognised bodies during the year)

Year of Award	Name of full time teachers receiving awards from state level, national level, international level	Designation	Name of the award, fellowship, received from Government or recognized bodies
2020	Dr.M.Davamani Christofer	Principal	Life Time Achievement Award by Science Father 2nd International Research Awards
2020	Dr.G.C.Abraham	Vice Principal	Life Time Achievement Award, honoured by Pearl Foundation
2020	Dr.C.Dorothy Sheela	Associate Professor	Best women Associate Professor Award, From Pearl-A foundation for Educational Excellence
2019	Dr. S. Jeyarani	Associate Professor	Distinguished Fellow Award in Economics IMRF, Goa.
2019	Mr.Andrew Pradeep	Assistant Professor	Best Assistant Professor Award - NOVEL Research

			Academy, Pondicherry
2019	Mr.Immanuel Suresh	Assistant Professor	Best Young Faculty Award - NOVEL Research Academy, Pondicherry
2019	Dr.Stephen Rajkumar Inbanathan	Associate Professor	Fellow of The Academy of Sciences, Chennai
2019	Dr.Joseph Thatheyus	Associate Professor	Outstanding Contribution to Science Award-2019 for contribution to Environmental Sciences, Biotechnology Toxicology
2019	Mr.Rajesh	Assistant Professor	Best Young Faculty Award-2019 by Novel research academy, Puducherry ,November, 2019

3.3.2 – Awards for Innovation won by Institution/Teachers/Research scholars/Students during the year

Title of the innovation	Name of Awardee	Awarding Agency	Date of award	Category
young scientist award	Dr.S.Priyadharsini	Science Father	18/04/2020	Teacher
young scientist award	Dr.J.Gracia	Science Father	18/04/2020	Teacher
young scientist award	Dr.S.Priyadharsini	indian association of applied microbiology	28/11/2019	Teacher
Best Senior Faculty Award	Dr.R.Jeyapandi	Novel Research Academy, Puducherry, India. UAN: PY03Dooo3488	01/12/2019	Teacher
Best Young Faculty award	J. Immanuel Suresh	Rotary Club of Trichy Dt Pride	02/02/2020	Teacher
Nayagan Educationist Award	J. Immanuel Suresh	Rotary diamond city , Trichy	16/03/2020	Teacher
Best Young Faculty award	J. Immanuel Suresh	Novel Research Academy	01/12/2019	Teacher
Best Assistant Professor Award in Immunology and Microbiology	M.Andrew Pradeep	Pearl Foundation	15/03/2020	Teacher
Best	M.Andrew	Science	11/01/2020	Teacher

Assistant Professor Award	Pradeep	Father		
Best Faculty Award	M.Andrew Pradeep	Novel Research Academy	30/11/2019	Teacher

4.3 – IT Infrastructure

4.3.1 – Technology Upgradation (overall)

Type	Total Computers	Computer Lab	Internet	Browsing centers	Computer Centers	Office	Departments	Available Bandwidth (MBPS/GBPS)	Others
Existing	601	278	200	36	131	59	97	200	111
Added	203	148	60	26	25	1	3	60	47
Total	804	426	260	62	156	60	100	260	158

4.3.2 – Bandwidth available of internet connection in the Institution (Leased line)

260 MBPS/ GBPS

4.3.3 – Facility for e-content

Name of the e-content development facility	Provide the link of the videos and media centre and recording facility
--	--

4.4 – Maintenance of Campus Infrastructure

4.4.1 – Expenditure incurred on maintenance of physical facilities and academic support facilities, excluding salary component, during the year

Assigned Budget on academic facilities	Expenditure incurred on maintenance of academic facilities	Assigned budget on physical facilities	Expenditure incurred on maintenance of physical facilities
205	206.85	220	259.28

4.4.2 – Procedures and policies for maintaining and utilizing physical, academic and support facilities - laboratory, library, sports complex, computers, classrooms etc. (maximum 500 words) (information to be available in institutional Website)

The College has an estate office and designated officer is the Bursar who is the faculty of the College. The office is equipped with work force and automated using Tally9. The Mission of Bursar's office is to enable cashiering and assist students to meet financial obligation with integrity and accountability. The Bursar's office vision is to ? Create transparency and accountability. ? Create cost effective and innovative solutions to changes in regular requirements. ? Continue development, maintenance and enhancement of infrastructure facility. ? E-governance has transformed to promote inclusive growth that covers electronic services like online payment of fees and online transactions of attendance and mark. ? The college ensures the optimal allocation and utilizes the funds for maintenance of infrastructure and purchase of equipments. Stock register is maintained for recording equipments. At the end of the financial year an internal financial audit is carried out. Laboratories: ? Equipped with fire management systems, first aid kits, fume cupboards and exhausts. ? Adequate lab assistants are placed to maintain lab equipments. ? Issue, stock and breakage registers are maintained. ? AC, Computer and network facilities are maintained by AMC(or) serviced by agencies with system manager. Parking: ? Adequate parking facilities with paver block structures with water percolation are structured at various locations. Security: ? Security operation is outsourced a team of 23 persons are involved. ? CCTV is initialized in all primary locations in the campus. Water: ? There are 5 RO Plants and water tanks available for clean drinking water facilities and are regularly serviced. ? Rain Water harvesting is implemented throughout and the campus has 44 rain water harvesting wells. ? A solid waste management unit (Vermi Compost) is developed from which a good quality manure is produced. Sport Complex: ? Sports equipments are periodically maintained ? Cleaning, cutting and maintenance of various grounds are done regularly ? Indoor stadium is maintained properly ? Separate Gymnasium for boys and girls that helped them to acquire stress free and healthy life ? Play grounds and play courts are fully utilized throughout the year. Zonal and state level competitions are regularly conducted. Besides NCC Army and Navel cadets use ground facilities for their training. Power generation: ? All buildings are connected with 380KW capacity generators that ensure uninterrupted power supply throughout. ? Five generators of 15KW/250KW are used separately for seminar halls and administrative blocks. ? 3 Solar plants of 200KW capacities also are used for generating electricity. Library: ? Digitize rare books can be utilized through website. ? Free browsing center with 26 computers for student's utilization is provided. ? UGC recommended Plagiarism software URKUND installed. ? Institutional membership registered with National Digital Library of India. ? American College Faculty's profile created through <http://americancollege.irins.org/> Others: ? The college is a venue for competitive examinations conducted by central and state Government. ? Agreement has been made with the canteen, satellite canteen, security guards, and sanitary workers with yearly renewal basis. ? An Audio-visual centre is

installed to train the students in editing and shooting.

5.3.2 – Activity of Student Council & representation of students on academic & administrative bodies/committees of the institution (maximum 500 words)

The American College believes in creating space for students' increased participation in the activities of the institution. Students play an active role in, Board of Studies, Department Associations, Hostel college level committees such as Students Service Committee, Student Christian Movement, NCC committee, NSS committee, SLP Committee, Library Committee, Athletic Committee, Anti-Ragging Committee, Green Club, Book Club, and Rotaract Club. Academic Activities Students play a dynamic role in designing the curriculum. Each class topper representing undergraduate, postgraduate and MPhil programme participate in the Board of Studies of each department and provides valuable inputs in shaping the curriculum. Academic Associations Students of the college automatically become members of their department associations. Student

representatives of each class are elected in a democratic manner and they become the office bearers of their respective department associations. Students play a major role in planning and executing the academic and cultural activities of the association where the role of the faculty is that of a facilitator. In Hostel Committees, each student hostel has a committee consisting of a General Secretary, Mess Secretary, Prayer Secretary and Study in charge. The members of the committees are elected by the hostelites and thus ensuring smooth functioning of the hostel. College Level Committees a. NCC and NSS Committees. Student representatives participate in coordinating activities of NCC, NSS and SLP as student leaders and help in organising various programmes. Student leaders in NCC and NSS are actively involved in providing guidance, coaching and training to junior cadets and in managing the units, organising awareness programmes, blood donation camps, traffic management in the city and activities in adopted villages. Students in SLP are actively involved in preserving environment and enhancing social awareness through various outreach activities. b. Student Services Committee The SSC of the college enriches the skills of students by involving them in various cultural activities. Students participate in various state and national level programmes representing the college. c. Student Christian Movement. The SCM of the college focuses on enhancing the spiritual life and skills of the students. Interested Students from Christian and other faiths participate actively in the SCM and plan and organise its activities. Students become active members of the College Choir. d. Other committees Students participate and serve in various committees of the institution including library committee, athletic committee and anti-ragging committee. Student representatives participating in the library committee provide suggestions regarding the functioning of the library on a daily basis based on the inputs from their counterparts. Student members of the athletic committee are involved in participating and organising sports and games. Student representatives in the anti-Ragging committee help in mitigating ragging inside campus through interaction and representation at the college level. e. Clubs. Students are active participants in the clubs including Green Club, Book Club and Rotaract Club. The student members of Green club are actively involved in cherishing and preserving the green environment. Students enhance their passion towards reading by becoming active members of the Book Club. Rotaract club helps students to enhance their leadership skills.

5.4 – Alumni Engagement

5.4.1 – Whether the institution has registered Alumni Association?

Yes

The Alumni Association of the American College was registered under societies Registration Act of XXI of 1860 on 01.04.1974 with the Registration number 43. The American College Alumni Cell (ACAC) is facilitating old students of the college through maintaining a separate office. The ACAC helps to understand the profile of Alumni, to make effective Social/Academic network, to create Documentation/Database, to help our Alumni, Faculty and students, to empower our Alumni in terms of democratic participation in the college activities, knowledge sharing with the academic community, and to strengthen Alumni. The college boasts itself of its alumni spread across the globe and the active global networking of alumni effectively contributes to their alma mater. Activities of ACAC help students for availing employment opportunities alumni sponsored training programmes for students, Industrial visit and entrepreneurship training. Alumni are participating in decision making processes at the Academic Council, Boards of Studies to make relevant curriculum. Alumni's contribution to the students lunch assistance programme, organizing workshops and seminars is encouraging. Alumni are part of the college IQAC and they are helping the college to plan for innovative curriculum and new programmes. Technology, particularly social media is effectively

harvested for the purpose of easy and immediate contact between the College Community and the alumni who are present all over the world. The numbers of registered alumni during 2015-2020 are 6986. The ACAC has its presence in the social media through a Facebook Page in which 4760 friends network on a daily basis. It can be viewed at <https://www.facebook.com/americancollege.alumnice11?> The department-wise alumni and Series-wise alumni are quite strong in the College and they are regularly meeting at their respective departments and they contribute their mite with finance and technical inputs. The Alumni Meet is centrally organized twice a year: on the Republic Day after the flag hoisting and in the evening before the College Day Functions. The meeting of the Chennai chapter was held in 2016 in which one hundred members actively participated. The meeting of the New Jersey, USA chapter was held in 2017 which was attended by five members, and the meeting of the Alumni - Singapore Chapter was held in 2018 in which 20 members who are presently faculty members working various government education institutions of Singapore. Alumni own a separate building in the premises with a spacious air-conditioned seminar hall and a couple of rooms that house not only the Alumni office but also other service providers like Students Service Committee. In 2015, a distinguished Alumnus Mr. Manohar Devadoss, Writer and Artist, in 2016, Dr. Periasamy, Former Dean of School of Chemistry, University of Hyderabad, an alumnus of Chemistry Department, in 2017, distinguished alumni, Mr. Jaffar Sait, Additional DGP, Chennai and Padma Shri Vivek, in 2018, Mr. Hani Babu an old student of Botany, Proprietor of Hannah Medical Services, Dubai and Mr. Anis, Film Director, and in 2019, Mr. Varalotti Rengasamy, an old student of Commerce and a famous writer graced the occasion with a toast to the college in the College day

CRITERION VI – GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 – Institutional Vision and Leadership

6.1.1 – Mention two practices of decentralization and participative management during the last year (maximum 500 words)

Our Institution encourages decentralization of power and policy implementation on various fronts including • Governance • Finance and property management • Academic affairs • Student welfare • Faculty welfare and other matters In order to effectively handle various issues, committees are formed that will take care of institutional responsibilities. These committees will consist of members from various walk of lives and staff members, students of our own institution. The decisions and suggestions emanated by these committees are taken for consideration and proper implementation. Some of the committees that help Principal Secretary on the issues of Governance and participative management are: i) Governing council: The college is governed by this council which is headed by the Bishop of Madurai - Ramnad diocese as the chairman and the members of the council includes the ex-officio of our college, nominee from

university, various institutions and organizations along with two elected members from the faculty fraternity. This council is the powerful council that helps the management to take various critical decisions for the welfare of the institution, faculty and student community. ii) Statutory bodies: The college has the following committees, Senatus, Finance and property committee, Investment committee, Academic council, Board of studies Religious life and work committee, Research and development board and Hostel Board to ensure effective management of academic, financial and general administrative affairs of the institution. As per the UGC guidelines for autonomous colleges the Governing body of the college is constituted in this academic year. The academic council structure is reframed to promote the interdisciplinary and skill oriented approach in curriculum. iii) Decentralization of responsibilities distributed to various deans Decentralizing various responsibilities to deans and affiliated committees has been in practice since the inception of autonomy of the institution. Deans and additional deans are selected from senior faculty members from both aided and self-financed scheme and are given responsibilities. Some of the responsibilities of the deans are as follows: • Initiating academic policies • Internal monitoring of academic programs • General academic administration • General development and promotion of curriculum • Promotion of research activity • Articulation and advocating of policies in curriculum development research • Bringing collaborations from institution abroad • Academic counseling of students • Coordination of CBCS • Academic and curricular interfacing of the departments • Protecting in general the welfare of women students on campus • Addressing gender issues in curriculum development and research • Validating the academic performance of students • Specifically addressing their grievances

6.1.2 – Does the institution have a Management Information System (MIS)?

Yes

6.2 – Strategy Development and Deployment

6.2.1 – Quality improvement strategies adopted by the institution for each of the following (with in 100 words each):

Strategy Type	Details
Admission of Students	Admissions of students have been done as per Government norms and reservation policies. Wide advertisements were given at the college website and national dailies in both Tamil and English. Registration, application upload, and fees payment were carried out through online. Admission process is completely computerized. Selected candidate are intimated through SMS and uploaded in the college website.
Industry Interaction / Collaboration	Students are exposed to the practical working environment by visiting the organisations such as CECRI, ISRO, IISc, IISER and industries in and around Tamil Nadu. Experts from these organisations have been invited as resource persons for various programs organized by the college. Students are encouraged to participate in Internship/ training programme in collaborations with various industries such as Hatsun Agro Product Ltd, Febin

marine foods, Lakshmi feed mills Villapuram, TamilNadu Foodgrains Marketing Yard Madurai etc. Industrial Experts serve as members in IQAC and academic bodies for curriculum designing.

Human Resource Management

The college has an effective managing system with exclusive heads/ coordinators for UG, PG, M. Phil. / Research programmes and co-curricular programmes. Faculties are serving as residential wardens and superintendents. Apart from the officers of the college, separate Deans and additional Deans for Policies Administration, Academic advising, Curriculum Development Research, International Exchange Study Abroad, Women students and self financed programmes. Two elected members from the faculty are part of the Governing council of the college. Five faculty representatives are elected to senates. There is a multi-tier support staff system. Residences were provided for officers and Supportive staffs.

Library, ICT and Physical Infrastructure / Instrumentation

1. The UGC recommended Plagiarism checker URKAND Software was installed
2. KOHA Library Management system (LMS) with RFID Technology has been introduced.
3. New books were added to SCILET a unique research library for English language and translation.
4. The institution has ICT enabled classrooms, English Language lab, multipurpose Gymnasium, Indoor Sports Training Facility with Wooden Flooring (Tongue and Groove system) amphitheatre, seminar halls, examination halls, and audio-video recording theatre
5. Each department has instrumentation lab and a departmental library.
6. Free Wi-fi facility with 200Mbps speed in main campus and 60Mbps speed in satellite campus is provided to students

Research and Development

The college provides extensive opportunities for faculty and students to promote research activity.
1. The College has created Indian Research Information Network System (IRINS) for the sharing of research contribution by the faculty globally and it is available at americancollege.irins.org
2. Management provides seed money for research and financial assistance for attending Conferences, seminars,

	<p>workshops and FDP and training programs. 3. The institution has a central instrumentation facility to promote research in newly emerging areas. 4. Funds were allocated in the budget for organising seminars/workshops/ conferences for each department. 5. Almost all PG departments are upgraded to Research departments.</p>
<p>Examination and Evaluation</p>	<p>1. Continuous Internal Assessment (CIA) is adopted to measure student learning and improving teaching. 2. End of Semester Examination(EOS) are appraised by External Examiners and OMR sheet based MCQ testing which is evaluated by Software . 3. Outcome Based Assessment Activities like laboratory skill evaluation with Formative and Summative Assessment is conducted. 4. An array of assessment methodologies like classroom quizzes , projects and seminars have been undertaken. 5. Surveillance of CCTV Services in all the examination venues. 6. Participation based Assessment Activities like NSS/NCC/SLP and Physical Education are conducted with an overall objective of personality development through community service.</p>
<p>Teaching and Learning</p>	<p>1. ICT Based Teaching and Learning is employed by incorporating technology into teaching. 2. Activity Based Teaching strategies are used in classrooms like brainstorming, group work, discussions, formulating questions, problem solving and reflection which foster critical thinking. 3. Case Study and Field Study Based Teaching is done where students work collaboratively and practice social skills. 4. Project Based Learning is adopted where students acquire knowledge through active exploration. 5. Peer Interactions through Seminars and presentations are facilitated where learners get to experiment and learn, allowing greater understanding. 6. Feedback Sessions are conducted to measure students learning and improve quality of teaching.</p>
<p>Curriculum Development</p>	<p>1. The curriculum is framed with innovative Core disciplines and a variety of Interdisciplinary and Multidisciplinary courses. 2. Life Skill Courses are framed to provide learning by observation and co-relating</p>

knowledge and its application. 3. The curriculum thrusts in Entrepreneurial development which facilitate students to get self employed. 4. The curriculum aligns to global standards for education through Academic Transfer programmes and the credits obtained can be transferred to The Concordia College in New York to get an American degree. We have similar MOUs with St.Clare College, Canada, Binary University, Malaysia and Hildesheim University, Germany.

6.2.2 – Implementation of e-governance in areas of operations:

E-governance area	Details
Planning and Development	The Institution is able to interact with all stakeholders in a convenient and efficient manner through e-governance. The various activities of departments, and various units are well organized and implemented with the use of technology
Administration	In order to carry out effective communication, notification for the faculty meeting, senatus and academic council will be sent to the individual members through email. All other communications to the academic officers, Heads and faculty members also forwarded to the members through email. Paperless environment is appreciated by the usage of E- copy of the documents such as calendar, minutes of the meetings, CIA and EOS schedule, invitations and online registration. All announcements to students, programmes organized by the college and departments are displayed in the college website and digital display. Feedback from various stakeholders on curriculum is received through online.
Finance and Accounts	Fees payment and salary dispersal is processed only through online. Students should pay their fees such as tuition fee, examination fee, mess fee and other fees through online. Payments of bills for the purchase of chemicals, instruments and other amenities can be done through NEFT transfer or cheque payment. Salary for both teaching and nonteaching staff is distributed through NEFT transfer.
Student Admission and Support	Student's admission is done through online. The process of admission includes registration of application,

	<p>uploading documents, computerised selection list based on government norms, selection intimation SMS, downloading admission card from the college website, online payment of fees. There is separate login for student, parent and faculty with security protection. Attendance, formative and summative tests marks can be entered through online. Both Students and parents can view the time table, attendance status and formative and summative marks easily through their login in the college website. CBCS course registration can be done by the students through online.</p>
Examination	<p>Students should register their courses of study except lab and field study courses for the summative examination through online. Payments of examination fee are also done through online. The hall ticket with QR code is downloaded from the college website and the attendance at the examination hall is verified by scanning the QR code. Objective type questions in section A is marked in the OMR sheet and computerised valuation is carried out. Students can view their statement of marks in their log in. There is separate provision given for complaints related with examination and marks and they can view their complaint status.</p>

6.3 – Faculty Empowerment Strategies

6.3.1 – Teachers provided with financial support to attend conferences / workshops and towards membership fee of professional bodies during the year

Year	Name of Teacher	Name of conference/ workshop attended for which financial support provided	Name of the professional body for which membership fee is provided	Amount of support

6.4 – Financial Management and Resource Mobilization

6.4.1 – Institution conducts internal and external financial audits regularly (with in 100 words each)

An effective internal audit is conducted periodically to improve and nourish the institutional practices of the college by the Finance and Property Committee. The Principal, The Vice-Principal, Bursar and four members elected by the Governing council of the college are the members of the Finance and Property Committee. Internal audit is carried out by the external expert Mr. I. Daniel Selvaraj, Chartered Accountant, Manohar Chowdhry Associates for each financial year. The institutional accounts are audited regularly by both Internal and statutory audits. External audit is done by Government Auditors through Regional Joint Directorate of Collegiate Education, Madurai every year. All the audit reports are placed before the Finance and Property Committee for its scrutiny and then submitted at the Governing Council of the college for its approval. The approved audit reports are sent to the competent authorities like the Registrar of Societies and Income-Tax Departments.

6.4.2 – Funds / Grants received from management, non-government bodies, individuals, philanthropies during the year(not covered in Criterion III)

7.1.5 – Human Values and Professional Ethics

Title	Date of publication	Follow up(max 100 words)
College Calendar Section XVII (1 to 9) XVIII (1 to 8) XIX, XX (1 to 18)	09/07/2019	Our students are given orientation to adhere to the College Policy and Admin setup, Fees Payment Schedule, Examination Schedule, Various Calendar Events on campus. Codes conduct regarding Exam hall manners, Dress Code, general behaviour in campus and inside class rooms are well defined in the college colander. The Hostel students are also governed by a specific code of conduct. This calendar is also available in pdf format in college website for reference. All the disciplinary actions are taken based on the Code of Conduct only. Our students are practiced to use college calendar for their academic planning during the year.

<p>Human Value Education Published by All India Association for Christian Higher Education, Delhi.</p>	<p>17/06/2019</p>	<p>The American College owes to bring a good citizen of our nation. The believes that the purpose of education is to make a student a better human being. It is mandatory to all the Third Year UG Students to complete their degree programme. This Course is being handled by Religion Philosophy Sociology Department faculty members as well as specially trained teachers from every department. The course consists of audit classes and ends with examinations. Top scorers in this course are being awarded. After successful completion of the course, our students are well behaved and more humanized while approaching a problem.</p>

7.1.7 – Initiatives taken by the institution to make the campus eco-friendly (at least five)

- College is situated at the bank of river Vaigai which is the city hub flooded with heavy traffic and noise as well as air pollution. As college is dense and green with huge trees, the college is a habitat for floras and faunas. • College campus is engulfed with trees, bushes and grasslands. The average campus temperature is 22 to 38 degree Centigrade. College management, staff and students are nourishing the ecology inside the campus. • Even though the college surrounding is recoded with 75 dB during peak hours, the campus noise level is not beyond 55 dB which is contusive for a quiet environment. • Greater Backyard Bird Count (GBBC): Green club identifies and counts the number of bird species in the campus in the second week of February to learn the biodiversity in campus. So far 38 species of bird are documented. [Bio-Diversity Map is Plotted] • No motor vehicles were allowed inside the college premises to make aware of students and staff on minimising carbon footprints. • As campus is plastic free zone, no flex boards and plastic banners are permitted inside the premises on any occasion. Instead, a digital board is used to propagate the ongoing events. Slogans on environment awareness, bible verses and quotes are scrolled every now and then. • The leaf drops are not smoked or burnt inside the campus. The leaf falls are collected and dumped in compost pits.

7.2 – Best Practices

7.2.1 – Describe at least two institutional best practices

Best Practice I: 1. Title of the Practice: STUDENT-CENTERED MISSION 2. Objective: The Objective of Student-Centered mission is • To develop sense of belongingness among the students especially the sons of land. • To commit for the societal development. and • To achieve the vision of the institution, ie., to elevate the students to meet global standards. 3. The Context: Madurai city is cosmopolitan city comprises of many villages. Many of our college students are hailing from nearby villages and mostly of downtrodden. The present generation is highly dependent on their parents. In college life too they need parental care. The college life teaches them more than a classroom lecture. The American College acts as their second parents by taking them extra mile. Our college believes in stewardship education. Hence, college travels along with our students in attaining their goals. 4. The Practice: Many of our students are socio-economically underprivileged, the college cares their basic need. The Lunch Assistance Programme is really a boon to them. Apart from providing food, the students are provided with money to look after their educational requirements through Earn While You Learn Scheme. Free Internet Facility is provided through Wi-Fi repeaters throughout the year for free educational googling. Study circles promote a good ambience for group studying for competitive examinations. Free Coaching for Group Examinations are run by the management. Students are encouraged to actively part in academic and cultural festivals at their department level. The students' associations implant the organizational skills required for their career. The College placement cell gives free counselling and career guidance to every student those approaching. Career opportunities are displayed and circulated among the students by various means. In addition, college organises various international conference, seminars, workshops, symposia throughout the year in various disciplines. The resource persons and delegates from all parts of the world visit our college and interact with our students. Also, college organises conferences abroad. The international collaborations uplift the learning platform. Such on-campus activities enhance our students at par with global standards. Our college library obtained more than 300 Passports during the year as an extension activity without collecting any additional charges. Since college has a liaison with Railways, Commercial Banks, Regional Passport Office, Central Excise and Commercial Tax Offices, the students were trained and recruited directly on ad hoc basis in any surgical operations. College allows our student involvement in college official programmes. They voluntarily undertake the hardship from

seating arrangement to capturing entire programme digitally. Our students after successful completion of their studies, placed well globally. 5. Evidence of Success: After graduation, every student optimistically flies and do reach their goals. Many of our meritorious alumni frequently visit college and offer knowledge-sharing, job opportunities, endowments and merit scholarships. 6. Problems encountered and resources required: The inception of student life in American College would be out of their higher secondary school marks. But growth and development are envisaged by travails they experience during their campus life. Thus, the moto of our college sounds loud. (Purificatus non Consumptus) Best Practice II: 1. Title of the Practice: NEED BASED CURRICULUM 2. Objective: The Objective of need based curriculum is • To meet the industrial requirement. • To impart entrepreneurial skills. • To induce continuous learning 3. The Context: India is the biggest nation with more youth population. Today's youths are the pillars of future India. Hence, every institution is responsible to produce prospective citizens for a prosperous nation. The institutions are not only degree awarding agencies they indoctrinate mind and soul. Curriculum is the prospectus of any degree program and institution. Migration of students from east to west and south to north would not be a scene anymore when an institution paradigm its curriculum well. The cross-border terrorism, racism and pandemic embargos the migration of Indian students to foreign universities. The cost of western or northern education is unimaginable and unreachable. 4. The Practice: The American College updates and upgrades its curriculum whenever needed. The 139-year-old American Missionary Institution was pioneer in obtaining its autonomous status in the year 1978. Over these years, the curriculum and syllabi are framed by the Board of Studies based on the industrial requirement and employability. The formal framework of curriculum development consists of Industrialists, policy makers, business persons, administrators, academicians, professionals and alumni. They all together brings out a viable curriculum. Also, our college has already signed with three international institutions for knowledge sharing and student exchange programmes. The affordable students make their dreams come true. Whereas, the economically underprivileged are not able to imagine on it. The Autonomy Body of our college instructs every department to sophisticate the curriculum for global opportunities rather than local requirements. As a result, the technically specialized courses like Visual Communication, Microbiology, Bio-Chemistry, Professional Accounting, Food and Nutrition Science, Immunology and Psychology courses are being offered with global standards in our college. The teachers should undergo orientation and training before they handle the classes. The faculty development programmes which are periodically organized either by college or by neighboring institutions or by foreign universities, reinforce our teachers to handle the international syllabi. The e-contents, virtual classrooms and digital learning media are common in our college. New form of education inspires both learner and teacher. College management insists every teacher to think out-of-box for reaching not only minds of the students, but also their souls. LMS like google classroom is instituted and our teachers are getting excel in it. The conventional teaching mode is also followed by many teachers for numerical and problem-solving courses. The delivery of subject is duly met by following lesson plans, prepared well in advance at the beginning of every semester. 5. Evidence of Success: The art of tethering off campus and on campus environments, the teachers are given autonomy to demonstrate at their convenient mode of teaching. Thus, our students bring laurels to our college. The autonomy in education makes the teachers to responsible for every student's career. The continuous increase in the number of applications (23,723 applications for 3,728 seats) for under graduate degree and post graduate degree programmes is the evidence of success. No college in Madurai city is most opted like this The American College. 6. Problems encountered and resources required: Carrying an international ensemble syllabus to a locally bred adolescent kid is a

challenging one. The gap between school education and college education is tried to be bridged by various means like conducting remedial classes, students study circles, readers club, book walk and etc.

Upload details of two best practices successfully implemented by the institution as per NAAC format in your institution website, provide the link

<https://americancollege.edu.in/wp-content/uploads/2021/03/7.2-Best-Practices.pdf>

7.3 – Institutional Distinctiveness

7.3.1 – Provide the details of the performance of the institution in one area distinctive to its vision, priority and thrust in not more than 500 words

Campus sub culture: Our college is having a unique gesture of welcoming new students for over a century. This habitual practice is called as "Freshmen Orientation". Every student will be received at the college gate and given with orientation handout called Know Your College (KYC) depicting the college atmosphere along with Campus Map. The Freshets are then led by senior students for Installation Assembly. The Chaplain delivers devotion from Holy Bible followed by the Principal's greetings. Various Officers of the college are introduced to the students. The new students are taken up to campus tour as per the schedule. The first day of every student at our college is a green memory.

During orientation week, the new students learn college protocols. The students' talent-tapping and selection of CBCS and Part V courses are done. As regular classes commence, the new students know their academic standing and access to library. Winking computers at departments, clinking test tubes in labs and whirling pages on library desks during late hours witness the academic virtue over 139 years. Apart from alma maters the physical wellbeing of students is concerned. The Food Science and Nutrition Department prepare the menus for both boys' hostel and girls' hostel. These menus meet all essential nutrients and adequate calories as per ICMR Dietary Allowances. Such care by the college prevents the risk of obesity, oxidative stress, malnutrition and other illness. To prompt the day-scholars not skip their breakfast, an interval of 25 minutes is given after the first two classes. The participation of students in various programmes and activities on campus transform them from apprentice to wizards. In the whole year, campus is busy and vibrant with colorful arches and rangolis as a symbol of ongoing conferences, workshops, symposia, cultural meets, and utsaves. The formal wears on auspicious days make our students a complete man or woman. A friendly morning wish from a student to teacher shows the grandeur of strong relationship that could not be seen anywhere. The unique characteristic of our college is 'Participatory Mandate'.

The management, staff and students jointly plan every programme. The involvement of students in conducting official functions is the exhibit of belongingness. Thus, The American College is deeply rooted in every one's soul. The Candle Lighting Day is the last day to students and a Closing Assembly, biblically teaches everyone, "You are the Light of the World". While the candles melt and shed light, the students take pledge to Serve God and Humanity with tears welling up. To reach the unreached, Satellite Campus is developed at Chatrapatti (14 kms away from the main campus) to cater the needs of nearby villages. The local citizens are given priority in admissions. The hill-surrounded sylvan premises with smart classrooms, webinar halls and lounges are aesthetically designed with state of art technology. 5 UG programmes are being offered with hostel facilities. 4 buses are shuttling from main campus on all working days. 1005 students are studying at present. Specialized courses and International Collaborations are in gestation.

Provide the weblink of the institution

8.Future Plans of Actions for Next Academic Year

1. Our DPM Library fueled to millions of young minds in the past. But in digital era, the information is readily available at everyone's hands. The effortless googling becomes the part of self-learning. To continue the intellectual contribution, digital transformation of the library is need of the hour. The reading habit can be improved by offering the remote access to library through an application software over mobile phones and tablet computers. The digital library can conserve the physical space and depletion of paper-prints. Digital book readers, smart catalogue displays. LED walls and digital Desk Top Publications will attract more subscribers in near future. Hence, college is planning on Digital Library. 2. Madurai is an ancient city having a strong history over thousand years. It excelled in the field of Art, Literature, Architecture and also trade with Greece and Rome. Tamil language is known as Sanga Tamizh (Classical Language) comprises of Linguistic, Music and Play. In the recent past, various traditional arts were fading. Tamil department of our college identified such arts like Thozhpaavai Koothu, Katha Kalatchebam and etc. and keep posting videos in Youtube channel (<https://www.youtube.com/watch?vFjBBDHld3MA>). Those who perform these traditional arts become marginalized. Proper funding can give life to the traditional arts of Madurai. 3. College has a proposal of establishing a dedicated museum as it has a rare collection of palm-leaf manuscripts, fragments of ancient terracotta pots, artilleries, quintet idols, wooden sculptures, antiques and specimen of rare floras and faunas. 4. College is committed to make a rural student as a responsible global citizen. In addition to the cognitive education, the value-added courses are to be given to our students to develop their creativity, leadership, personality and social responsibility. The college is planning to offer from next academic year, one Value-added Certificate Course in each semester apart from majoring and CBCS courses. This maiden effort will make our students to meet the global requirements in job hunting. 5. Our satellite campus at Chatrapatti is foreseen as an education town. College plans to run the campus with self-supportive renewable electricity and waste management. The new campus is nurtured with natural habitat and biodiversity. Our college also plans for instituting community centre and primary health centre to care for the local community. 6. SCILET organises a 3-day "Creative Writing Workshop" at Kodaikanal once a year for non-English Majoring students. Tamil Department also organises residential workshop every year to a batch of 20 to 30 students. PG Students from other disciplines are taken up to Kodaikanal for a 3-day workshop on "Development through Arts" to train on Inner-Growth, Social Skills and Creativity. Such intensive education brings better results. The college encourages every department to run such programmes toward holistic development of a student. 7. A team of college officials visited National Institute of Education, Singapore to explore the possibility of offering 4-year integrated B. Ed. programmes at American College in the years to come.
