Academic and Administrative Audit Report

2016 – 2017

Academic and Administrative Audit (AAA)

Academic and Administrative Audit (AAA), endures as an essential element for maintaining the standard of excellence in Higher Education. A strong administrative set up and periodical auditing serves as a foundation for a quality oriented academic system.

Academic Audit: Academic audit is understood as a scientific periodic and systematic method of reviewing the quality of academic process in the institution. It is related with the quality assurance and enhancing the quality of academic activities in HEIs.

Administrative Audit: It is considered as a process of evaluating the efficiency and effectiveness of the administrative procedure. It includes assessment of policies, strategies & functions of the various administrative departments, control of the overall administrative system etc.

Overall Report of Academic and Administrative Audit Committee

Academic Audit was conducted to review the mechanisms of the college for monitoring and strengthening the academic quality and standards. Three External experts from various disciplines reviewed the departments and suggested their views. The commendable work of the management and faculty is highly appreciated by the external members. Head of the departments, coordinators and Staff were requested to implement the suggestions of the experts in their departments. This academic exercise was a immense help and fruitful endeavour to frame the best curriculum, teaching, learning and evaluation methodologies.

Observation
