Conduct of the Continuous Assessment II of Even semester of the academic year 2025-26

- Continuous Assessment II is scheduled between **10.03.2026 and 18.03.2026**. Heads of the departments may prepare a schedule for their respective departments and ensure that the same is conducted by the course teachers. The schedule of the exams should be prepared such that conducting more than one test in a day is avoided.
- Question papers shall be prepared in advance, and copies of the question papers can be prepared by the office of the COE at least three days in advance. The conduct of the tests and quizzes shall be done during class hours. Teachers may either use classrooms or other exam halls, such as the Main Hall, and Edward L Nolting Hall.
- Regular classes will be held during all other hours except the exam hour. Course teachers are expected to enter the marks in the portal, which shall remain open between **10.03.2026 and 25.03.2026**.
